#### § 22.4 Information collection requirements.

(a) The Office of Management and Budget approved the information collection requirements contained in this part 22 under 44 U.S.C. 3507 and assigned OMB Control Number 1018-0022 and 1018-0136. The Service may not conduct or sponsor, and you are not required to respond to, a collection of information unless it displays a currently valid OMB control number. We are collecting this information to provide information necessary to evaluate

permit applications. We will use this information to review permit applications and make decisions, according to criteria established in the Bald and Golden Eagle Protection Act and its regulations, on the issuance, suspension, revocation, or denial of permits. You must respond to obtain or retain a permit.

(b) Direct comments regarding any aspect of these reporting requirements to the Service Information Collection Control Officer, MS-222 ARLSQ, U.S. Fish and Wildlife Service, Washington, DC 20240, or the Office of Management and Budget, Paperwork Reduction Project (1018-0022 and 1018-0136), Washington, DC 20603.

### Subpart B—General Requirements

#### § 22.11 What is the relationship to other permit requirements?

You may not take, possess, or transport any bald eagle (*Haliaeetus leucocephalus*) or any golden eagle (*Aquila chrysaetos*), or the parts, nests, or eggs of such birds, except as allowed by a valid permit issued under this part, 50 CFR part 13, 50 CFR part 17, and/or 50 CFR part 21 as provided by § 21.2, or authorized under a depredation order issued under subpart D of this part. We will accept a single application for a permit under this part and any other parts of this subchapter B if it includes all of the information required for an application under each applicable part.

(a) A permit that covers take of bald eagles or golden eagles under 50 CFR part 17 for purposes of providing prospective or current ESA authorization constitutes a valid permit issued under this part for any take authorized under the permit issued under part 17 as long as the permittee is in full compliance with the terms and conditions of the permit issued under part 17. The provisions of part 17 that originally applied will apply for purposes of the Eagle Act authorization, except that the criterion for revocation of the permit is that the activity is incompatible with the preservation of the bald eagle or

## 50 CFR Ch. I (10–1–13 Edition)

the golden eagle rather than inconsistent with the criterion set forth in 16 U.S.C. 1539(a)(2)(B)(iv).

(b) You do not need a permit under parts 17 and 21 of this subchapter B for any activity permitted under this part 22 with respect to bald or golden eagles or their parts, nests, or eggs.

(c) You must obtain a permit under part 21 of this subchapter for any activity that also involves migratory birds other than bald and golden eagles, and a permit under part 17 of this subchapter for any activity that also involves threatened or endangered species other than the bald eagle.

(d) If you are transporting dead bald or golden eagles, or their parts, nests, or dead eggs into or out of the United States, you will also need a Convention on International Trade in Endangered Species of Wild Fauna and Flora (CITES) permit under part 23 of this subchapter.

### § 22.12 What activities are illegal?

(a) You may not sell, purchase, barter, trade, import, or export, or offer for sale, purchase, barter, or trade, at any time or in any manner, any bald eagle (*Haliaeetus leucocephalus*), or any golden eagle (*Aquila chrysaetos*), or the parts, nests, or eggs of these birds, and we will not issue a permit to authorize these acts.

(b) You may not transport into or out of the United States any *live* bald or golden eagle, or any *live* egg of those birds, and we will not issue a permit to authorize these acts.

### Subpart C—Eagle Permits

#### § 22.21 What are the requirements concerning scientific and exhibition purpose permits?

We may, under the provisions of this section, issue a permit authorizing the taking, possession, transportation within the United States, or transportation into or out of the United States of lawfully possessed bald eagles or golden eagles, or their parts, nests, or eggs for the scientific or exhibition

purposes of public museums, public scientific societies, or public zoological parks. We will not issue a permit under this section that authorizes the transportation into or out of the United States of any live bald or golden eagles, or any live eggs of these birds.

(a) *How do I apply if I want a permit for scientific and exhibition purposes?* (1) You must submit applications for permits to take, possess, or transport within the United States lawfully acquired live or dead bald or golden eagles, or their parts, nests, or live or dead eggs for scientific or exhibition purposes to the appropriate Regional Director—Attention: Migratory Bird Permit Office. You can find addresses for the Regional Directors in 50 CFR 2.2.

(2) If you want a permit to *transport into or out of the United States* any lawfully acquired dead bald or golden eagles or their parts, nests, or dead eggs for scientific or exhibition purposes, you must submit your application to the Office of Management Authority. Your application must contain all the information necessary for the issuance of a CITES permit. You must also comply with all the requirements in part 23 of this subchapter before international travel. Mail should be addressed to: Office of Management Authority, U.S. Fish and Wildlife Service, 4401 N. Fairfax Drive, Room 700, Arlington, VA, 22203.

(3) Your application for any permit under this section must also contain the information required under this section, § 13.12(a) of this subchapter, and the following information:

(i) Species of eagle and number of such birds, nests, or eggs proposed to be taken, possessed, or transported;

(ii) Specific locality in which taking is proposed, if any;

(iii) Method taking proposed, if any;

(iv) If not taken, the source of eagles and other circumstances surrounding the proposed acquisition or transportation;

(v) Name and address of the public museum, public scientific societies, or public zoological park for which they are intended;

(vi) Complete explanation and justification of request, nature of project or study, number of specimens now at
